

Acknowledgements

We are pleased to bring out our autumnal publication, Anjali on the auspicious occasion of Durga Puja celebration, 2022. For last two consecutive years, we had to publish online version only. Covid19 has brought many changes in the ways organizations work. We were also impacted by some of these changes. The printing company where we used to get our Anjali printed for last many years closed their sales office in Tokyo. We were therefore forced to work online with them. It posed a major challenge that we could not do final physical checking of contents including advertisements as we could do in earlier years.

Anjali's continuing success is made possible by the support of many well-wishers. The Embassy of India in Tokyo extended their gracious support for which we are very thankful. We hope to receive the same patronage in future as well.

For last 26 years we had been regularly receiving sponsorship from our advertisers. Due to pandemic, some of our sponsors may be facing challenges in their business. We wish them to quickly overcome the challenges and come up better and stronger.

Every year Anjali is being enriched by the valuable contributions from native speakers of different languages and various cultural backgrounds. We sincerely thank each of them for their support. We convey our gratitude to the contributors who have sent us their contributions from outside Japan. We are happy to note that readership of our online version is expanding.

At different stages of this process, we received valuable advices from many well wishers. We tried to incorporate their suggestions as much as possible. We convey our sincere thanks to all.
